SHREYAS CHANDRAKANT BIWARE

B.Tech, Information Technology | 2023 – 2027
shreyasbiware@gmail.com | Date of Birth: 09-06-2004
[linkedin.com/in/shreyas-biware](https://www.linkedin.com/in/shreyas-biware) | shreyasbiware.vercel.app

EDUCATION

MPSTME, NMIMS University B.Tech in Information Technology CGPA: 7.10/10	2023 – 2027
Vinay Adarsh Higher Secondary School, Ujjain HSC: 75.4%	2022 – 2023
St. Paul's Convent Sen. Sec. School, Ujjain CBSE (Class X): 68%	2019 – 2020

PROJECTS

MediSync <i>Java, Firebase</i> • Engineered a full-stack Android application delivering 4+ core features — expiry alerts, medication reminders, drug-interaction checks, and emergency support — to improve patient medication safety.	2026
Mental Health & Depression Predictor <i>Python, scikit-learn</i> • Built and evaluated a machine learning classification model on 27,900+ student records, achieving 95%+ prediction accuracy for early depression-risk detection.	2026
Hairstyle Predictor App <i>Figma, UI/UX</i> • Designed a 10+ screen mobile app prototype applying user-centered UI/UX principles to recommend hairstyles based on face-shape analysis.	2025
Pizza Sales Analytics Dashboard <i>Power BI, DAX</i> • Built an interactive Power BI dashboard analyzing 10,000+ sales records; surfaced revenue trends, top-selling products, and customer behavior insights using DAX-based data modeling.	2025
ATM Machine Simulation <i>Java, DSA</i> • Developed a Java-based ATM simulation supporting deposit, withdrawal, and balance-enquiry operations, using Arrays and ArrayLists to streamline transaction handling.	2024

INTERSHIPS

Machine Learning Intern <i>CodSoft</i> • Completed a one-month virtual internship (ID: BY26RY203689) building and evaluating ML models on real-world datasets with Python and scikit-learn, gaining hands-on exposure to the full ML development lifecycle.	2026
Marketing Intern <i>Connect Karo</i> • Selected for an 8-week Summer Internship Program; planned and executed digital marketing campaigns and created content that enhanced brand visibility and user engagement.	2026

CERTIFICATIONS & PUBLICATIONS

Tata Elxsi Teliport Season-3 (2026) | GraphRAG Inference Hackathon by TigerGraph (2026) | CodeStrike-2026 (2026) | Machine Learning with Python, LearnItUp (2026) | Tensor X 2026 National AI Hackathon by Poonawala Fincorp (2026) | Yugantar Hackathon – Team Bug Busters (2025)

CORE SKILLS

Technical Skills: Java, Python, JavaScript, HTML, CSS, Data Structures & Algorithms, MySQL, Power BI, Figma.

Soft Skills: Leadership & Team Management, Communication, Problem Solving, Adaptability, Coordination & Event Management.

ACHIEVEMENTS AND POSITIONS OF RESPONSIBILITY

Class Representative, NMIMS | Social Media Marketing Head, Finance Club, NMIMS | Associate Core (Logistics), Protsahan, NMIMS | Social Media Marketing (Graphic Designer), Ambiora Techfest, NMIMS
